EASTER SUNDAY SERVICE:

Quimper is having a service at 10:00 AM next Sunday, which is Easter. Go to Quimper's website and you will find the service listed. Click on the link and it will start at 1000 AM. This is traditionally the Sunday for people to bring flowers. Because it will be online people may send QUUF pictures of themselves with flowers. A montage is planned. At 11:00 AM we will join for OUUF's Community Sharing using Zoom. Thank you, Joan, George, Sandy and Elinor, for arranging this. You will receive a separate email with information about how to join the 11:00AM Zoom meeting. If you have any questions, contact Joan Cotta at jcottiafish@gmail.com or call her at (408) 206-0666

ZOOM MEETINGS:

You will receive separate emails for different Zoom meetings, like Children's (and adult's RE) the Men's Wednesday Group and weekly Community Sharing. A HUGE thank you goes to Sandy Goodwick, George Stratton and Joan Cotta for working to make these happen. This is an excellent way to connect with our community and well worth the patience it may take to master joining and participating. All three of our great Zoom leaders are available if you have any questions. Sandy Goodwick at (818) 489-8626, or George Stratton at (360)-452-6719, or Joan Cotta at (408) 206-0666,

A MINUTE OF CONNECTION:

No matter your personal situation, these are trying times. Many of us rely on our OUUF community to draw strength and find peace. We miss our person to person contact whether it has been weekly or several times each week. How can we keep connected? Azella called me the other day and suggested we pick a time each week when we take a minute to take a deep breath, be perfectly quiet, meditate or pray, knowing we are connecting with our OUUF community Sunday, the 5th of April at 1:00 PM please join us in this minute of connection. FACE MASKS

Many local people who sew have been working on cotton face masks for first responders and healthcare providers. After there have been enough made for their use, I want to offer to make the cotton masks for any OUUF members and friends who want one. Please contact me if you want a mask-- email is easier because then I can save your contact info. When the mask is ready I will leave it in the little free library donation box on the Fellowship porch and you can take it home and wash and dry them before using.

OUUF Care Team

Just an update to let you know we do care about our members and friends during this time of distance. If you are home and have a need or a medical condition, please remember we can call you or send you cards or drop off groceries if need be. We care about all of you during this difficult time of no church live services and gatherings.

Our team of Ren Garypie, Diane Hill--Dwyer, Cynthia Green, George Stratton, Dianne Whitaker and myself as acting chair, Jean Stratton are here to help you. Please know you can contact me, Jean Stratton at 360 452-6719, or by email: jeanmstratton@gmail.com

You are part of our loving community.

MEMBERS AND FRIENDS BULLETIN BOARD:

FREE cast iron cookware

Four skillets (approximately 7, 9, 10, and 13" diameter) and a Dutch oven (large, deep pot with glass cover). We just have too many pots and pans!

Contact Susan Harris (509-671-2147) or Dave Large (408-710-8041).

FREE! FREE! FREE!

Having combined our home office functions, Susan and I find ourselves with two office-quality machines we no longer need:

A) A Canon MF6530 high-volume laser copier: black and white, but both single and double-sided copies. It comes with a large spare toner cartridge -- thousands of copies before you will need another. The paper tray holds a full ream.

B) A Hewlett Packard P4014n high-volume laser printer: black and white but fast and reliable. Like the copier, the paper tray holds a full ream and it comes with a large spare toner cartridge. Includes a wired network input port for shared use.

If you or some organization you know would like either one, just let Dave Large know @ 408-710-8041.

PHISHING EMAILS:

Recently Bruce Bode and others had their emails hacked and you may have received an email appearing to be legitimate. These usually are short of detail but ask you to reply. Before you reply, check to be sure the address is legitimate. For example, Bruce Bode does not use "Rev" as part of his email address. You can always send a new email using **your** contact list to the person and ask if the first one you received was actually from them. Feel free to forward the email to admin@olympicuuf.com and I will check it out. Elinor Tennyson
