7 Principles of Unitarian Universalism

Affirm & Promote:

The inherent worth and dignity of every person;

Justice, equity and compassion in human relations;

Acceptance of one another and encouragement to spiritual growth in our congregations;

A free and responsible search for truth and meaning;

The right of conscience and the use of the democratic process within our congregations and in society at large;

The goal of world community with peace, liberty, and justice for all;

Respect for the interdependent web of all existence of which we are a part.

SUNDAY SERVICE

July 3, 2022

11am

We invite you to come in person to the Fellowship for this service. If you are unable to join us, the service will be available by Zoom.

A July 4th Musical Celebration !

This Sunday we will celebrate the 246th Birthday of the USA.

Listen to inspiring music that celebrates the beauty and wonder of this country. Hear uplifting words that honor the ideals, values, and diversity of the people who live here. Celebrate the promise and the truth of being an American.

Bob Nuffer will share the words, and Harmony Rutter, Leroy Davidson, and Dan Parish will provide the music. You can sing along.

Stay after the service for a lively and interesting discussion of what we have heard and witnessed. Snacks and drinks are available and in good weather people can socialize in the Friendship Garden.

WORDS TO LIVE BY

The purpose of life is to live it,
to taste the experience to the utmost,
to reach out eagerly and without fear
for newer and richer experiences."

MESSAGE FROM THE EDITOR

By Elinor Tennyson

As you read this week's newsletter, you will notice some changes. Hopefully these will make the newsletter easier to read and for readers to be better informed about what is going on with the Fellowship.

Putting the newsletter together is a great way to get to know the people involved with the Fellowship. If you have some time and ideas for content, let me know

Special thanks to Patty Eaton who so graciously offered observations and suggestions for improvements.

Your feedback is valued. I can be contacted at admin@olympicuuf.com or call (360) 417-2665

TECH VOLUNTEERS NEEDED

We need a few people to join a team to help put on the hybrid Sunday service.

Here is our newest volunteer, Felicity, who appears to know exactly what button to push and when! If this bright young lady can help, there may be hope for this team. Felicity will help train you.

Fortunately, there are many tricks to practice that can quickly improve how happy you are with your pictures! Be sure to bring your smartphone or camera, and join Phil Zenner for our art session as we practice hands-on taking better photos. Be a better photographer by the end of this session, and have fun

Summer !**

COME ON, COME ALL!

Emily is teaming up with (Ranger) Phil Z. of the Membership Committee to host a party at Emily's house/garden/lawn.

We will feature an "island time theme" and highlight summer's bounty: peach everything, fresh corn on the cob, whatever else people want to bring. We'll sing along karaoke style with Ranger Phil and dance by the light of the moon (if there is a moon). If you have a summer birthday, you'll get a lei and be invited to dance the hula. (Just kidding about the hula).
