Our next meeting will be Wednesday, May 13th at 10:00 at the Fellowship Hall.

Greetings!

Firstly, know how to reach our WA state US senators:

**Maria Cantwell (D-WA) 202-224-3441**

**Patty Murray (D-WA) 202-224-2621**

There are several important bills coming up in our Washington legislature. They are too numerous for me to copy into this newsletter. The best way to view them and take appropriate action is to follow the link to the Washington League of Women Voters:

[www.lwwva.org](http://www.lwwva.org)

Once you enter the LWV site, scroll down to the section, "Take Action to Protect Democracy". You will find a section representing our Washington Legislature upcoming bills, along with a way to submit your preference. Our voices deserve to be heard and our elected leaders truly want to hear from us!

A core principle behind all No Kings events is a commitment to nonviolent action. We expect all participants to seek to de-escalate any potential confrontation with those who disagree with our values and to act lawfully at these events. Weapons of any kind, including those legally permitted, should not be brought to events.

The purpose of these emails is to share information about actions and events accessible to us here in Sequim and Port Angeles. Your questions and comments are always welcome. Please let me know if you no longer wish to receive these emails.

We are all in this together!
