PRESENTATION ON RANKED CHOICE AND PROPORTIONAL CHOICE VOTING

Join us at Olympic Unitarian Universalist Fellowship for an engaging after-service presentation on Ranked Choice Voting (RCV) and Proportional Choice Voting (PRCV), presented by Seattle-based FairVote Washington. Learn how RCV and PRCV work, where they are being used, and why they're gaining attention as alternative voting methods. A Q&A session will follow the presentation. Light refreshments will be served.
